

# First Tee 2020 Player Card

**Our youth are 100% of our future!**

Since 2012, First Tee of Greater Wilmington has been serving local young people with a variety of development programs, administered through the game of golf. These programs have made a positive impact on the lives of more than 13,000 area youth, by instilling core values such as confidence, integrity, courtesy and perseverance, in addition to connecting them with mentors and role models. Please support our programs and the young people we serve, by purchasing a 2020 First Tee Player Card. Doing so will not only help local youth take a shot at success, it will also provide you with a generous discount to some of the best golf courses in our area.

**Purchase a card today for yourself or as a gift for someone you know who enjoys golf!**
